

Management of Perinatal Emergencies: A Patient Safety Webinar Series

Presented by The Ohio Pregnancy Associated Mortality Review and
The Ohio State University Clinical Skills Education and Assessment Center

September 13th

Improving Neonatal Care Through Simulation

This one hour seminar will help the healthcare provider increase their knowledge on different methodologies on providing simulation at their facility, as well as the benefits and barriers to implementing a simulation program.

OBJECTIVES

1. Explain different methodologies in doing simulation in a community hospital setting
2. Describe the benefits of simulation training
3. List 3 barriers to implementing simulation and interventions to overcome the barriers

Elizabeth Bonachea, MD
Department of Neonatology
Nationwide Children's Hospital
